ILLEGIB

SUBJECT: Contract No. HF-3-5111B, Statement of Completion

TO: Contracting Officer

Reference your letter #23285 dated 13 January 1958 and the attached letter from Bill Denard concerning Contract No. HF-3-5111B with Baird-Atomic. Please be advised that all equipment and services as contracted for under the subject contract have been satisfactorily completed. As far as can be determined from the WSPO's records and those of the depot, no equipment was delivered which was not covered under this contract.

RE: Contract HFB-5111B- Disclosure Requirements of Patent Rights
and Royalty Articles

* * * * *

Regarding disclosure obligations under subject contract,
the following report is submitted herewith:

- 1) No invention, discoveries or improvements were conceived or perfected; not patent applications have been filed.
- 2) No subcontracts were issued containing a patent rights article.
- 3) No royalty payments were made or are payable.
